### WELL-HATTED MEN

Are YOU one of the many? To be well-hatted doesn't necessarily mean that you've got to pay a big price for a hat. Of course you can if you care to. But a good many men in this town don't. They come to us and for a comparatively small sum get a hat equal to the ones sold in most stores for half again as much. Catch the drift of all the foregoing remarks—it means economy to you.
